

How do beliefs reveal various perspectives?

Please read pages twenty eight and twenty nine to answer the following questions.

1. Define “reincarnation”.
2. Please look at the photos on page 28. What environmental features do you see in these photos?
3. Describe the “Raven’s ”behaviour and the Haida’s beliefs of the “Raven”.
4. What does the “Raven” story on page 29 reveal about the perspective of the Haida on their environment?
5. Why do you think stories like this are important to the Haida?
